

Weltzheimer/Johnson House (W/J)

Driving directions from the Allen Memorial Art Museum to handicapped accessible entrance

There are two driveways to the W/J house: the gravel driveway part of the original Frank Lloyd Wright design (534 Morgan Street), and the modern driveway at 127 Woodhaven Place (the numbers are not visible on the mailbox or the house). The Woodhaven entry point is reserved for individuals with accessibility issues and private groups with advanced registration.

- ❖ Take Rte. 511/Lorain Street WEST for one mile
- ❖ Turn LEFT on Pyle/South Amherst Road
- ❖ Continue for approximately a half mile
- ❖ Turn LEFT on Glenhurst Drive (second left from Lorain)
- ❖ Turn RIGHT on Woodhaven (first right from Glenhurst)
- ❖ When you are on Woodhaven Place cul-de-sac, the W/J driveway corresponds to 11 o'clock if the circle were an analog watch.

Please use caution near the house—the carport is very low for most modern vehicles. Avoid driving under the carport and park your vehicle on the left side. Thank you.
