QP credit and Pass/No Pass: to earn QP credit one must pass the course. If the course is taken for a grade, then A+ to D is considered passing. If the course is taken Pass/No Pass, then A+ to C- is considered passing and is given the grade Pass (P); work below C- is considered not passing and is given the grade No Pass (NP).

35% Homework
Homework will be assigned approximately weekly on Blackboard. Some subset of the problems will be graded. The lowest homework score will be dropped. Homework must be written up neatly with multiple pages stapled. Students are encouraged to work together to learn the material, but each student must independently write up his/her own solutions. Homework is a major part of the course. No late homework will be accepted.

10% Quizzes
Given in lecture unannounced with the lowest score dropped. No makeup quizzes.

30% Midterm Exams
15% each. Tuesday, March 8 and Tuesday, April 19 in class. No calculators, notes, or books are allowed on exams.

25% Final Exam
Saturday, May 21, 7–9 p.m. No calculators, notes, or books are allowed on exams.

Disabilities
The college will make reasonable accommodations for persons with documented disabilities. Students should notify the Office of Disability Services located in Peters G-27/G-28 and their instructor of any disability related needs within the first two weeks of class.
Honor Code
The College requires that students sign an Honor Code for all assignments. This pledge (which is written out on each assignment) states: “I affirm that I have adhered to the Honor Code in this assignment.” For further information, see the student Honor Code, which you can access via Blackboard>Lookup/Directories>Honor Code.
