The New Course - Oberlin, OH - Scorecard

Olds-McCormick variation of the Merchant Course (Or, the New New Course):

Hole 1: Start from the east door of Barnard. The hole is the garbage can immediately to the right of the Biggs exit of Stevenson. You must land your disc in the garbage can to complete the hole. (par 3)

Hole 2: The third window in from the edge of the east wall of Stevenson. You must hit the glass of the window to complete the hole. (par 3)

Hole 3: The "Admissions Office" sign located southeast of the second hole. You must hit the face of the sign from the north. (par 2)

Hole 4: The first pillar to the left of the center-most pillar on the part of Fairchild Chapel facing the Asia House courtyard. You must hit the pillar and not the base. (par 3)

Hole 5: Any part of the blue light in front of Fairchild Chapel. (par 3)

Hole 6: The sign in fron of Carnegie. You must go through the legs of the sign from the west: e.g. Backwards. (par 3)

Hole 7: The right pedestal bordering the steps leading up to Finney Chapel. You must land your disc on top of the block and keep it there to complete the hole. (par 3)

Hole 8: The "Cox Administration Building" atsn directly to the south of the seventh hole. You must hit the face (not the legs) of the sign from the south (backwards). (par 3)

Hole 9: The thin, vertical, window in the spire on the southeast side of Peters. The disc can pass through the window from either direction. (par 3)

Hole 10: Beginning from the semicircular opening on the porch of Peters, throw around the building's circular southern wall to get a good shot at the large green garbage can in front of the southern entrance. You only need to hit the garbage can, not land your disc inside. (par 3)

Hole 11: The blue light to the northwest of Warner Gymnasium. You must hit the light, not the post. (par 4)

Hole 12: You must go under the ramp of Mudd Library from either direction and then hit the beige rubber trashcan on the right side of the ramp. (par 5)

Hole 13: The trashcan on your left as you go into the Decafe from the east. (par 3)

Hole 14: You must land your disc on the westernmost beige pedestal in the north end of the science quad. (par5)

Hole 15: You must hit the science center bookdrop under the overpass between the science center and wright. (par 3)

Hole 16: You must go under the left bench at the southeast door of Barrows. You can go under the bench from either direction. (par 4)

Hole 17: You need to cross Woodland Street and hit the security light just north of the Women's Resource center. You can hit any part of the light. (Beware of the transformer hazard as you go around barrows.) (par 4)

Hole 18: Continue west through the parking lot towards hales and go around the transformer building and hit the right of two signs on the double doors on the western wall. (par 4)
