

INVENTORY

Subgroup I. Chester H. Yeaton Papers, 1902-83, n.d.

Series 1. Correspondence, 1904-56

Box 1

General Correspondence, 1904-50
Army Enlistment Records and Other Related Papers and
Correspondence, 1917-25
Correspondence within the Math Department at Oberlin College, 1921-55
Correspondence from Ethel K. Yeaton, 1922-23
Correspondence with Mathematicians, 1926-27
Correspondence from Marie J. Yeaton, 1942-56
Correspondence from Warren Sullivan, 1951, and Stuart C. Dorman, 1949

Series 2. Class Notes, n.d.

Box 1 (cont.)

Math Notes, n.d., (5f)

Box 2

Math Notes, n.d., (7f)

Box 3

Math Notes, n.d., (6f)

Box 4

Math Notes, n.d., (5f)
Math Notebooks, n.d., (5f)

Box 5

Math Notebooks, n.d., (5f)

Box 6

Math Loose Notes, n.d., (2f)
Notes of Erwin Griswold, n.d.

Series 3. Lecture Notes, 1931, n.d.

Box 6 (cont.)

Lectures, 1931
Complex Variable and Electricity Practice Problems, n.d.

Subgroup I. Chester H. Yeaton Papers, 1902-83, n.d. (cont.)

Series 4. Writings, 1915, 1917, 1929-30, n.d.

Box 6 (cont.)

Thesis Suggestions, n.d.

Thesis, 1915, Chester H. Yeaton (3 folders—original, copies and notes)

Report on Aerological Investigation at Fort Omaha, Nebraska, 1917

“The Projected Differential Geometry of Space Curves,” 1929, M.A. Dissertation,
Sarah K. Brown, Oberlin College

Theorem Presentation, 1929-30, Willard van Orman Quine

Series 5. Miscellaneous Files, 1928-43, n.d.

Box 6 (cont.)

Mathematics Club Papers

Catalogue of Dr. Glashan’s Library

Diplomas and Certificates

Box 7

Oberlin College, 1932, 1936, n.d.

Miscellaneous Notes, c. 1921-52

Actuarial Society of America, 1926, n.d.

“An Introduction to Celestial Mechanics,” 1902, F. R. Moulton

Engraver’s plate for wedding announcement, 3.25” x 3.25”, 1943

Series 6. Gradebooks, 1921-52*

Box 7 (cont.)

Gradebooks, 1921-52 (2 volumes)

Series 7. Photographs, 1947, 1983

Box 7 (cont.)

Dr. Chester H. Yeaton, 1947

Evelyn Yeaton, 1983

*Restricted

Subgroup II. Ethel K. Yeaton Papers, 1833-1948, n.d.

Series 1. Biographical, 1869-1942

Box 8

General Biographical Information, 1869-1941 (2f)
Ethel K. Yeaton Estate Papers, 1941-42

Series 2. Class Notes, 1908, 1922, n.d.

Box 8 (cont.)

Loose Notes, 1908, 1922, n.d. (2f)

Box 9

Notebooks, n.d., (7f)

Box 10

Notebooks, n.d., (6f)
Loose Notes, n.d.

Series 3. Correspondence, 1902-42

Box 11

General Correspondence, 1902-42 (4f)
Correspondence about Genealogy, 1940-42 (2f)
Correspondence and Report, Oberlin College Pension Plan, 1930

Series 4. Diary, 1921

Box 11 (cont.)

European Travel Diary, 1921

Series 5. Genealogy, 1833-1945, n.d.

Box 11 (cont.)

Genealogical Records of the Kitch-Apger Family, n.d.
Notes and Genealogical Miscellany, 1833-1948, n.d.
Finished Genealogy on Note Cards, n.d.

Series 6. Lecture Notes, 1924-35, n.d.

Box 11 (cont.)

Gradebook for various Philosophy Classes, 1924-35
Notes and Handouts for Nineteenth Century Movements, n.d.

Subgroup II. Ethel K. Yeaton Papers, 1833-1948, n.d. (cont.)

Series 7. Writings, 1905-34, n.d.

Box 12

Published Papers

“Rabindaraneth Tagore, A Bibliography,” 1922

“The Origin of Subjectivity in Hindu Thought,” 1917, printed in
Philosophic Studies, University of Chicago

Unpublished Papers

“Down to the Sea in Ships,” Paper for the OC Women’s Club, n.d.

“Currents in Contemporary Philosophy,” n.d.

Various Incomplete Essays

Class Papers (2 folders)

“Waldo Emerson and New England Transcendentalism,” n.d.

“Pragmatism,” n.d.

“Marriage,” n.d.

“On the Application of Hegelian Dialectic,” n.d.

“History of Social Customs,” n.d.

“Symbolic Logic – Cosmos Paper,” 1934

“History of Experimental Psychology,” 1906 (in folder 2)

Papers by Other People

Brief of Report of the Committee on Character Education,
Milton Bennion, 1923

“Origin of the Subjectivity of Himdu [sic] Thought,” K. Bhattacharya, 1921

“The Inner Deducibility of the New Hilbert Berney’s Theory and Principa
Mathematica,” Edward Huntington, 1934

“Evolution of Morality” (4 parts), S.F. MacLennan, n.d.

Series 8. Photographs, 1914-19, 1921

Box 12 (cont.)

Photographs, 1921

Photo albums, 1914-19 (2 albums)

Goodrich Room Case 2, Drawer 6

Photograph of Ethel K. Yeaton, oversized, ca. 1906-1910

Series 9. Miscellaneous Files, 1901-02, 1914, n.d.

Box 13

Diplomas, 1901-02, 1914

Subgroup III. Marie Johnson Yeaton Papers, 1904-68, n.d.

Series 1. Biographical, 1904-58

Box 13 (cont.)

Obituaries, Passports, and other Family Miscellany, 1904-58

Series 2. Class Notes, 1919-38

Box 14

Notebooks, 1919-38, (7 books)

Box 15

Notebooks, 1919-38, (10 books)

Series 3. Correspondence, 1917-68

Box 16

Correspondence, 1917-68

Series 4. Instructional Materials, 1926, 1936-42, n.d.

Box 16 (cont.)

Lecture and Personal Notes on Mathematic Equations, 1926,
1937, 1939-42, n.d. (5f)

Tests, 1936, n.d.

Series 5. Published Papers, 1913, 1940

Box 16 (cont.)

“An Extension of a Covariant Differentiation Process,” *Bulletin
of the American Mathematical Society*, 1940 (2 copies)

“Tensors of the Calculus of Variation,” *American Journal of Mathematics*,
published in 1931 (2 copies and original dissertation, 1928)

Series 6. Miscellaneous Files, 1913-39

Box 16 (cont.)

Programs from the International Congress of Mathematics, 1936

American Mathematics Society Papers, 1928-39

Diplomas, 1913, 1916, 1921
