

a _____ I was ready to go, ready to go _____ so first was _____ they had no houses available for negros. So _____ and we got to house at 329 North Main, to use in case we retired early, of _____ I retired. Then we applied for a Lots out in _____ we were told we could get and picked out a Lot, regular size. Were to learn on the day of Commensment that the Lot had been taken. Then I was to see the Pres--- I _____ with the President, I told him like to have an appointment, he said "yes" come right up. I went up, I explained the situation to him, he told me that someone had made an error, if the Lot hadn't been sold at least _____ out there. And if I wanted the Lot, I could get it. So we could back the _____ Lot. Then on _____ we recieved word that the people in that area had changed the rules for contolling the building, it had to be so many more feet from the street then it stipulated prior to that time. It had to be so many more feet from the adjoining property. We _____ little or no space to build on a pi[?] shaped Lot, so the President asked us to see the Dean of the college, which we did. Dean promised to explain the fact that the Lot be made changed that particular night. And he advised me to us, to take a half a Lot or either a whole one, so we dicided to take a whole Lot, and now we have two Lots in _____ Circle. Then _____ getting _____ contact a contrator, the contrator the contractor truck _____ Brothers, they planned to build, and next morning we found out that they couldn't build becасue they hadn't been _____ by one of the old contractor in e[?]area if they build, they would not give them, any---give then any support to them. So they refused to build. Then we see a Mrs. Slater, who had been an old established citizen here, on _____ went to his house, opened the door and said "I'm sorry I can't build for you." So we learned that some of the people in town, were against Negros in this certain community and _____ Circle happened to be one. We did have a Professor out there a Negro Professor out there
