

Science Library

FOOD AND DRINK GUIDELINES

Pack it in

- Beverages in covered containers.
- Small snacks only; nothing smelly, messy or noisy when eaten. No meals.
- NO FOOD at public computers.

Be considerate – do not eat food in the library that creates a distraction or disturbance for others.

Pack it out – Leave no trace

- Clean up all crumbs and spills immediately.
- Take all leftovers and food waste out of the library.
- Deposit all recyclables in the recycling bins in Perlik Commons.

Follow these guidelines and you help protect our information resources, maintain a pest- and clutter-free space for research and study, and support a sustainable environment. Thank you!
